2015 KINDERGARTEN APPLICATION FOR ENROLMENT DAY

There will be an 'Application for Enrolment Day' for students beginning Kindergarten in 2015 on Friday 1 August at the Narrogin Primary School, Falcon Street Kindergarten at 12.30 – 1.30pm. In 2015, students will be able to attend Kindergarten for fifteen hours per week. Students eligible for kindergarten in 2015 are those who turn four between July 1 2014 and June 30 2015. It is important to bring your child's birth certificate, immunisation record and any court orders that may be in place.

Eligible students will be enrolled provided there is classroom accommodation, an appropriate educational program can be provided and any specialised health care needs can be met. It is expected that once children are enrolled, they will attend kindergarten on a regular basis.

Priority of placement will be in the following order:

1. 1st Priority – A child living in the school intake area and with siblings enrolled at Narrogin Primary School in 2015.
2. 2nd Priority – A child living in the school intake area and with no siblings enrolled at Narrogin Primary School in 2015.
3. 3rd Priority – A child not living in the school intake area but with siblings enrolled at Narrogin Primary School in 2015.
4. 4th Priority – A child not living in the school intake area and with no siblings enrolled at Narrogin Primary School in 2015.

If you have any questions, please phone Mrs McDougall and Mrs Dolken at the Kindergarten on 98811545. If you know of other parents in the community with children eligible for kindergarten, please inform them of our 'Application for Enrolment Day'.

ROAD SAFETY – WALKING TO SCHOOL

Arrange for your child to walk with another child if possible

It might not always be possible for you to walk your child to school so set up a 'walking buddy' or find out if there is a 'Walking School Bus' near you. A Walking School Bus is where several parents take responsibility for walking a group of children to and from school.

For further information on Walking School Bus contact the Department of Transport.

GO HEALTH

Colds

Upper respiratory tract infections or colds are everywhere, especially in winter, so it is almost impossible to stop children from catching them. Here are some points which may help:

- Teach your child to cover his/her nose and mouth when coughing or sneezing, and to wash hands straight afterwards.
- Hands should be washed after blowing noses and before eating.
- Use tissues once and then throw them in the bin. (Avoid using handkerchiefs.)
- Keep your child home from school if he/she has a cold/cough/fever/pain.
- Make sure that your children eat a balanced diet of plenty of healthy foods.
- Keep children away from smoke – it irritates their eyes and nasal passages, making it more likely that they will catch a cold.

What to do if your child gets a cold

No treatment will cure a cold or make it go away more quickly, but you can help your child feel more comfortable:

- **Rest:** This need not be in bed.
- **Provide extra drinks:** If your child doesn't want to drink much, try giving lots of small sips of water, milk or juice, or iceblocks to suck for older children.

For more information contact your school health nurse.
