In the Pursuit of Excellence

From the Principal

NEW PHONE NUMBER

As of Wednesday 11 September the school has a new phone number. The new number is **(08) 9882 1700**. As you may know, the transition to NBN includes the decommissioning of copper services across Australia and as our existing telephone system used copper services, our system needed to be upgraded.

Any callers to the school will be diverted to the new number for a period of time. It is important to note that the change of phone number only applies to the school and not the offsite Kindy.

YEAR 6 CAMP

On Tuesday 3 September the Year 6 students went on school camp at Ern Halliday. Everyone who was attending the event had to be at school by 8 o'clock sharp! During the bus ride some of the boys entertained us with some jokes and naming every car that went past. On the first day, when we arrived at Ern Halliday, everyone chose between our first activities, archery or bike pump track. In archery we got taught about what the parts of a bow and arrow were called and how to shoot. Luckily, no one got shot! As for the people doing bike pump track, we were led by Stuart and Trevor. After those activities we went up to the dorms and chose our beds. In the boy's dorm there was a noisy room and a quiet room. You could tell which was which by which room. The 4am alarm clock came from which was where the noisy kids were. In the girls' rooms, no one really got a fantastic sleep. In one room, the fan almost fell off and in the other room the door wouldn't close. That night we had "A Minute to Win It" with green team coming in first. The next day, we went to Parliament House where there was a protest happening. Before Parliament house we were at Ern Halliday for orienteering. We had a lot of fun doing orienteering but it didn't compare to the "Gala Night" after dinner. The "Gala Night" was actually a fashion design competition where we had to make an outfit out of toilet paper and present it during a catwalk. The next day we departed to Xtreme Ice Arena in Mirrabooka where Flynn was our Prince of the Ice. We also did bumper cars on ice which was hilarious. When we arrived at Ern Halliday we walked to the beach and participated in Beach Team Building. Everyone was exhausted by the time we got back. The next day we woke up at 6.40am to pack our bags and get ready to depart to AQWA to see the Duyfken and the main exhibits. After AQWA we departed Perth for Narrogin for the end of the Halliday. Thank you to all the Year sixes and staff members who attended.
