#### STARR Behaviour Expectation - Week 5

Safety - Leave school promptly, go straight home.

Students are expected to leave school on the bell, with a parent or walk/ride/bus to a previously arranged location. Student's are not permitted to stay on school grounds playing at the playground, when they should be walking home. It is important for students to reach their destination quickly, so families can be sure they are safely home.

As it is **School Cross Country** that afternoon please choose your dress-up carefully and wear appropriate running shoes. Cross Country will start with the Year 6's at 1.30pm sharp, parents and families are most welcome to come and watch.

#### SCHOOL BANKING

Thank you to all students who have been participating in school banking. It is pleasing to see so many students regularly saving. If you do not yet have a "Dollarmites" bank account for your child, you just need to call into the Commonwealth bank to open them an account. (You will be required to produce some identification) Once opened, your child can then do their weekly banking at school and earn themselves prizes for regular saving. Our school banking is only available for "COMMONWEALTH BANK" AC-COUNT HOLDERS Wednesday mornings from 8.30am in the Library.

#### NATIONAL WALK SAFELY TO SCHOOL DAY

FRIDAY 22<sup>nd</sup> May 2015

This Friday is National Walk Safely to School Day. To promote healthy active transport to school we will be having 'Walking School Buses' for students and families to join in and walk to school.

We would love to see as many students as possible walk to school, hopefully with their parents or carers, while learning to be safe, active and healthy.

A 'bus routes' and timetable will be sent home with this newsletter.

Families are encouraged to join in this healthy activity, which will be guided by members of our school staff. For children/families that live out of town, you are invited to park your car at any stop and join in!

'Walking Bus' stops will be marked clearly with signs and balloons.

All 'buses' will meet in Memorial park at 8:30 for a photo and to cross to school, with our crossing guard, Ian.

We hope many of you can join us! Narrogin Primary School is a "CHAT- Changing Healthy Acting Together" school which includes education about road safety. This is a perfect time to put theory into practice for the students. Please contact Miss Carroll at school if you have any questions.

## P&C NEWS

### SURVEY FOR PARENTS AND KIDS

Researchers at the University of Western Australia are looking for parents with children or teens between the ages of 8 and 16 to help us find out more about the relationship between the personality trait, narcissism, and children's emerging understanding of who they are (their sense of self and self-esteem).

The survey can be done over the internet and at home, and it takes about twenty minutes of your time (5-10 min parents and 10-15 min children). Parents are given the opportunity to enter a draw to win one of twenty \$50 gift certificates to Coles/Myer.

To participate go to:
