STARR Behaviour Expectation - Week 7

Tolerance - Help Others

Helping someone is a core community value. Students can help each other in very simple ways such as lending a pencil, inviting another to join a game, saying good morning.

WEEK 7 STARR Students

Takira Newburn PPA, Rhys de Gruchy PPB, Hannah Smith 1B, Mitch Kensett-Smith 1A, Aiden Gumphrich 2Mc, Emily Nottle 2S, Abby Dewing 3C, Maddie Andrews 3F, Domenic O'Hara 4H, Bryton Ugle 5F, Mitchell Ackland 4/5B, Jayeisha Ford 6C

DISTRICT CROSS COUNTRY

Best of luck to our competitors in this Friday's Cross Country. The event will take place at Thomas Hogg Oval commencing with Year 4 Boys at 10.30am. Permission notes have been sent home today to all competitor's. Please return these promptly.

SCHOOL DEVELOPMENT DAY

Staff attended professional learning yesterday with other schools from the Narrogin Schools Network. There was a variety of concurrent sessions attended by staff such as Boys in Education, Arts Therapy, DrumBeat, Teaching Effective Reading Comprehension, Literacy Hub and National Quality Standards, to name a few. Staff also got to hear a Keynote Address from Regional Executive Director, Kim Guelfi regarding his take on what schools need to do to move from 'Good to Great'.

ATTENDANCE

There are some quite nasty cold's and flu's circulating in our school at the moment. Although we want to see students at school everyday possible, it is important to keep children at home and seek medical advice should they have a temperature, sore throat, cough and/or mucus. Quick treatment of these symptoms means students miss minimal days of school and reduce the spread to others.

BREAKFAST CLUB

Just a reminder to all students Breakfast Club is on every morning in the old library. A range of scientific evidence indicates that regular consumption of breakfast by children enhances their ability to learn. A healthy breakfast every morning helps improve concentration, mood & academic performance and also provides fuel to brains and bodies, which has a positive impact on general mood and helps improve academic performance.

SURVEY FOR PARENTS AND KIDS

Researchers at the University of Western Australia are looking for parents with children or teens between the ages of 8 and 16 to help us find out more about the relationship between the personality trait, narcissism, and children's emerging understanding of who they are (their sense of self and self-esteem).

The survey can be done over the internet and at home, and it takes about twenty minutes of your time (5-10 min parents and 10-15 min children). Parents are given the opportunity to enter a draw to win one of twenty \$50 gift certificates to Coles/Myer.
