Measles

There has been reported cases of measles in the Great Southern region.

'Measles is a highly infectious, uncommon, acute, viral infection. Symptoms include lethargy, malaise, cough, sore and swollen eyes and nasal passages, fever and rash – must be confirmed with laboratory testing.'

At this point no known cases have been reported in Narrogin but if this was to occur and the student/family attended Narrogin Primary School we would have to exclude those students who are not vaccinated. Exclusion of susceptible contacts is usually 14 days. If vaccination occurs student can return to school post vaccination.

We are aware that some of our families are conscientious objectors of immunisation and in most cases have this recorded. Other families have not submitted immunisation information upon enrolment or have not updated the information after 4 yr old immunisation has occurred.

To be prepared and able to inform families directly should a case be reported, we request that should you have information the school requires regarding your child/ children's immunisation please provide it to the school immediately. You can acquire an up to date list by visiting Medicare consumer online services.

We trust you will support the school to ensure our records are as accurate as possible.

Behaviour Expectations - Week 6 ★

This week the school behaviour expectation is to... 'Put all rubbish in the bin'. This expectation applies to both inside and outside of the classroom with each person having a responsibility to put their rubbish in the bins provided.

Interesting Fact—Australia is the second highest producer of waste per person in the world at approximately 650 kilograms per person. This is second only to the United States of America which produces approximately 715 kilograms per person.

Student Performance - 16 September

Directly following the Open Classrooms, students from year one to seven will perform three items they have been rehearsing during term three. This will be held on the stage in the undercover area at 6.30pm. It would be fantastic if as many students as possible could come along and join in with their groups item. We hope lots of family members will stay to see students work and enjoy some of the amazing talent we have at Narrogin Primary School.

CHAT NEWS - SAFETY ON WHEELS

Do the 3 Minute safety check

Whether your child rides a bike, scooter, skateboard or rip-stick it is important that they are well maintained. Run through the 3 minute safety check with your child.

Bike safety check

1. Make sure the wheels spin freely. Check that the tyres aren't worn or flat – they should be hard to squeeze. Fix any loose wheel nuts or broken spokes.
2. Spin the front wheel then apply the brakes. If the brakes are working, the wheel should stop turning.
3. Check the chain is clean and can move freely. It should be kept lightly oiled.
4. Check the handlebar is not loose, the ends are covered and the handgrips are secure.
5. The seat should sit flat and be in line with the bike. It shouldn't tilt or move. Check for cracks or broken springs.
6. Are the lights working? There should be a white headlight and red tail light on your bike. You also need to have a reflector at the front and rear, and on the pedals and wheels.
7. Ring your bell. Your bike must have a bell (or horn)

Scooter safety check

1. Check the brakes are working.
2. Check the steering column locks easily and doesn't collapse.
3. Check the handlebar grips are secure.
4. Check it has high ground clearance and a non-slip footboard.
5. Check there are no sharp edges.

Skateboard safety check

1. Check the wheels are turning smoothly.
2. Check there are no broken parts or sharp edges.
3. Check that your child has a helmet and protective gear to wear.

Rip-stick safety check

1. Check the wheels turn with ease.
2. Check the nose and tail platforms twist in each direction.
3. Check for unsafe construction, with sharp objects and finger-tightened mechanisms.
4. Check that your child has a helmet and protective gear to wear.

P&C NEWS

P&C Disco Thursday 21 August 2014

The P&C would like to say a huge thank you to all the people who helped at the disco. Thank you to the parents of Mrs McDougall's class who assisted with supervising, helping in the canteen and decorating. Miss Carroll's parents who helped with supervising, working in the canteen and cleaning up, also to all the helpers not associated with these classes. Without the support of parents and staff these events would not be able to happen for the children.

Thank you to all the students who donated towards helping Bonnie. We raised \$595 and this will be given to the family. Further fundraising will be done in the form of a cake stall at the Faction Carnival on Friday 5 September. A note will go home today with your child asking for assistance with donations of cakes and muffins.

Wanted - Market Day Co-Ordinator

The P&C are looking for expressions of interest, for a family or families to take over running the P&C's monthly Market Day. Our current co-ordinators are no longer able to continue the running of the market day. The next market day is Saturday 20 September, if you are interested in taking on this role, please contact Mr Brenton Hayes for further information on 0407 283773.

Fathers' Day Lunch

UNIFORM SHOP

Our second lot of faction polo's have just arrived, thanks to the amazing Cindy Paice for her embroidery. The girls "new skirt" is still on back order with an eta of 12 September, they have apparently underestimated how popular this skirt would be!!!

CANTEEN NEWS

Thank you to our volunteers from week 6. A reminder that you must complete your lunch order with your **name and classroom number**, and place it in your classroom basket in the morning before school commences. Those students who would like any change from their lunches at recess, please note this on the bag so that it may be put aside for you.

PAPERBARK WANTED

Mrs Ings is chasing some paper bark for Art if anyone has any that they are able to bring in, it would be very much appreciated. It can be left at the front office.

SUNSMART

Writing Workshop

On Tuesday some students were invited to participate in a writing workshop with author James Foley

Some books written by Mr Foley are In the Lion and The Last Viking.

Milling to the Music

As part of Literacy and Numeracy Week students of all years combined to Mill to the Music. This involved them moving around and when the music stopped, reading their "Poems in their Pockets" to their buddy class. Well done to all the students, they shared a variety of poems.
