Numeracy Activities

Monday 25 August - Friday 29 August was 'Literacy and Numeracy Week'. All the Pre-Primary to Year 7 students took part in a 'Daily Math Challenge'. It was encouraging to see so many of our students participating.

This week, all the Pre-Primary to Year 7 students will take part in a 'World of Maths' incursion on Tuesday (Yr 5 – 7) or Thursday (PP – Yr 4). This promises to be very interesting and engaging. The Daily Challenge winners will be announced at this week's assembly.

Behaviour Expectations - Week 8

This week the school expectation is "co-operation". Cooperation is working together for the good of everyone. It is a willingness to respect others and to follow rules which keep everyone safe and happy. Cooperation is being helpful to one another, sharing the load. It is joining others in order to do something that cannot be done alone.

Open Classrooms

Classes will be open from 4.30pm - 6.30pm on Tuesday 16 September for your child/ren to share with you, the work they have done in class. Make sure you mark this date in your calendar.

1/2B and 2Mc Dryandra Excursion

Yesterday 2Mc and 1/2B visited Dryandra as part of their History and Geography program. Mr Kickett showed us lots of traditional ways to use Grass trees and how to look for possum nests. We all enjoyed the walk to the Ochre Pit and having our faces painted. Many thanks to Mrs Conlan, Mrs Beresford and Mr Kickett for helping. It was a fantastic day and the behaviour of the students was AWESOME.

I know some of you see 'dress-up' and bang your head against a wall. I definitely do not want this to become an expense or an issue for you. Please don't feel as though you have to go out and buy costumes or accessories. If you want to provide a costume or make something creative as a family project that would be great. If you want some help or advice in designing a costume I am always available. We have some costumes and props being created in class and if you are having trouble we will be able to find something suitable.
