In the Pursuit of Excellence

FROM THE PRINCIPAL'S DESK

NARROGIN DISTRICT SPORTS ASSOCIATION

The first meeting of the Narrogin District Sports Association for 2015 was held at East Narrogin PS last week. In attendance at this meeting were multiple representatives from East Narrogin PS, St Matthews PS, Narrogin PS and Williams PS. At this meeting a formal invitation was extended to Williams PS and Darkan PS to join our interschool sporting events. The invitation was warmly received and as a result our interschool sporting events will now see four teams competing. This arrangement will commence with the Athletics Carnival later in the year. We look forward with great anticipation to welcoming Williams PS and Darkan PS, as a combined team, to our competition and as a result further strengthening the competition for our students.

Also tabled and discussed at the meeting was the grouping of students for our interschool events. After a lengthy discussion outlining the pros and cons of age groups and year levels, a collective decision was made to introduce year levels, from this year onwards, at the Swimming Carnival. The next meeting, being held late in Term 2, will see further discussion about the grouping of students for all other interschool events. The outcome of these discussions will once again be disseminated via school newsletters.

All schools are most excited about the positive, progressive direction our association is heading in.

Should you wish to have any of this information further clarified please do not hesitate to contact the Principal of your school.
