Student class requests for 2015

It is important to note that parent requests may assist us in working out class placements however the requests will not, in any way, be binding on our placement of students into their 2015 classes. The school considers many aspects to produce an even spread of academic, behavioural and social abilities when formulating our classes. The school also looks at class sizes, gender and the specific needs of our special needs students. Our priority is to produce classes that are evenly balanced. If you would like the Principal to consider your special request for student placement for 2015, please write your request and put it in a sealed envelope addressed to "The Principal" and hand it into the front office no later than 3.30pm Friday 21 November.

Religious Education

The School Board have been in discussion this year about the Religious education program within the school.

A decision will be made before the end of the year regarding the continuation of the program. If you have a view you wish to express please communicate this in writing to The Principal, Mr David Harrison.

Behaviour Expectations - Week 2 - Tolerance ★

Sometimes we forget and leave others out - either accidentally or on purpose. We need to be aware of including others all of the time.

Here are some suggestions to INCLUDE: let them join in, listen to others, communicate clearly, work together, include them in games, don't be mean when people join in, play with new people, give a compliment, have a laugh, just say hi, if you are lonely ask to play, wave and smile!

SPRING FESTIVAL

Thank-you to every-one who has let me know that they will be part of our parade float in the Spring Festival. I will be having a group meeting with participating students on Thursday at Lunchtime. If anyone would like to blow up balloons and generally put things together ready to put on the float, I will be in the performing arts room on Friday afternoon between 1.10 and 3.10pm and would appreciate any assistance. A big thank you to Kelly Fullston for letting us borrow their trailer for our float. We will be putting the float together on the small oval from 8am on Saturday. Students need to be at the small oval ready to get in to their costumes at 9.30am. We will all walk down to the marshalling point on Glyde Street for 10.30am and be placed in our position in the parade. The parade commences at 11.15am. We will return to Glyde Street at the conclusion of the parade and then back to school to remove costumes and strip down the float.

Thank you Mrs Tyler-Tourle
