WRITE A BOOK IN A DAY COMPETITION

On Thursday August 10 2017 groups of 10 Year 5 and 6 students were given a challenge to write and illustrate a book in a day. We were given specific words and characters that had to appear in our book and these were not given to us until the day of the challenge. Three different groups worked on three different books from 8am through to 5pm. When the books were completed, Mrs Bicknell raced to the staffroom and scanned all of the pages. Mrs Tyler-Tourle then put the original copies together into a bound book and these were then posted immediately to the 'Book in a Day Competition'. We raised quite a lot of money to help Kids with Cancer and would like to thank every-one who sponsored us. Narrogin 1 was made up of Leon Abraham, Maddie Andrews, Lilli Beresford, Stuart Brindley, Jude Corner, Regan Dale, Jacob O'Farrell, Christina Smith, Gracie Ward and Meghan Watts. Our book was called "The Blackout".

We are excited because we have just been informed that our book has been shortlisted for a prize in the National Competition. We are all very proud of our achievements and happy to have had the opportunity to participate in such a great event.

SCHOOL DEVELOPMENT DAY FRIDAY 24 NOVEMBER

Just a reminder that Friday 24 November the children do not come to school as the teachers will be participating in a compulsory School Development Day. This is in line with other schools in the area.

CLASS STRUCTURES 2018

When formulating our classes, the school considers many aspects to produce an even spread of academic, behavioural and social abilities. Our priority is to produce classes that are evenly balanced.

If you would like the administrative staff to consider your special request for student placement for 2018, please write your request and put it in a sealed envelope, addressed to, "The Principal", and hand it into the front office, by no later than 3.30pm Wednesday 15 November 2017.

All teachers at Narrogin Primary School are respected, professional educators and parents are asked to be mindful of not requesting a teacher just because they may be perceived to be "more popular or better than" another teacher. If parents are seeking advice on class placements for 2018 they should request an interview with their current class teacher.

Although parent requests will be taken into consideration when working out class placements, they will not be binding in our placement of students into their 2018 classes.

Chappy's Chat

How lovely to have the sun shining and the warm weather upon us. Thank you to families who have sent in second hand uniforms. Stocks are still low in the smaller sizes, so we really appreciate your generosity. Please feel free to contact me through the class teacher, office or pop in at Brekky time and have a cuppa. Hope to see you there. Thought for the week: "It's easy to stand with the crowd. It takes courage to stand alone".
