In the Pursuit of Excellence

From the Principal

As the 2015 school year draws to a close, I would like to acknowledge the contribution of the staff of Narrogin Primary School and thank them for their commitment toward providing the very best learning opportunities for our students.

I'd also like to thank our P&C for their ongoing support of the school and the many contributions they have made to improve our school's resources.

Our School Board has also been very supportive throughout the year and has worked hand-in hand with the school to establish and review the school's objectives, priorities and general policy directions. They also played a key role in evaluating the school's performance during this year's IPS school review process.

The students of Narrogin Primary School are vibrant, respectful and keen to learn. They have worked hard to improve throughout the year and have been focussed on academic excellence, which is one of our 5 behavioural expectations.

I would like to wish everyone a safe, happy and rewarding holiday break.

Best wishes for the Festive Season.

2016 LEAVE

All employees with accumulated long service leave have been issued with a directive to clear all outstanding leave by the end of 2016.

Therefore, during 2016, there will be several staff members taking leave at some point. This is an unavoidable situation and we thank parents and carers for their understanding as this eventuates. Wherever possible, teachers will advise parents, in advance, when they will be taking long service leave.

P&C NEWS

The P&C would like to thank everyone for the help this year with the many fundraising projects that we ran. In 2016 we will be developing the Nature Play playground at NPS. Please feel free to join the P&C and come along to our AGM in early February. The P&C would like to congratulate Sarah Wiese on her Certificate of Merit for 10 years of service to the P&C.

The Monthly Market Days will continue in 2016 with each class hosting the day, once a month for 4 and a half hours. Please feel free to come along this Saturday to our last day in 2015. There are several bargains in the shed including a fish tank, budgie cage, crazy crab house and some recliner rockers. We also have some great jigsaws to keep the kids off the screens and busy in the holidays. Please feel free to clean out your cupboards and sheds and donate any goods to the shed or have your own stall as all money raised goes towards the P&C and benefits the students.
