COMMUNITY NEWS

Disclaimer

This section is provided for general information only, and on the understanding that the Department of Education is not providing advice or a recommendation about any of the services referred to in this newsletter.

Triple P- Positive Parenting Program is being offered by the Southern Wheatbelt Primary Health Service in Narrogin from **Wednesday 11th March 2015**. The course is for parents of children aged 2-8 years old and covers topics such as effective parenting strategies and managing common child behavioural problems. To register or for more information please contact Primary Health on 9881 0385 by **Friday March 6th 2015**. Limited places are available. A crèche facility is provided for parents who need it.

Quick Tips for dealing with lunchbox leftovers:

Involve your children in planning and preparing lunch to make it a positive experience.

Ask your child to bring home lunch leftovers. You will get an idea of how much they eat, what they like, and support them to try small amounts of new foods.

Try to avoid telling them off for not eating their lunch, as this could lead to them overeating to please you, or throwing food away to stop getting in trouble.
