### CHAT NEWS - MRS TYLER-TOURLE

Through our Changing Health Acting Together Programme we have been very focussed on resilience. While we will be reinforcing the resilience messages consistently we are now moving our focus to Road Safety. In class students will be looking at many aspects of road safety including

Pedestrian Safety, Passenger Safety and Safety on Wheels. In Performing Arts,

students will be working in groups to create their own Road Safety Videos and puppet shows. Each week we will feature an article in the newsletter to help us all become more road safety aware.
