GRAB THE M.I.C MUSIC INCURSION YR 4-7

Today Wednesday 4 September our class went to a Music Incursion. We did it in the Narrogin Primary School music room. We had a lady called Finn who talked to us in groups. My group was Reilly, Logan, Hayden and I.

Then she put us all into a rotation and my group first went to the keyboard station. Logan and I both shared a keyboard. We played different notes and had fun. Then we went to the loud corner and made lots of noises. We

were playing bongo drums and the tambourines. I was playing the bongo drum and made loud noises. Then we went to the electric drums and again Logan and I shared a drum kit. We didn't know how to play so we went crazy. Then we went to the electric guitars and I made lots of noises on it. At first it really hurt my ears. Then we went to the mad pad and recorded lots of stuff. We were making lots of weird noises and faces. Then we put it together and it sounded crazy. Then we went to record our soundscapes. We wanted to put in all sorts of noises to make it funny. Our soundscape included lots of weird sounds.

After this Finn put our sounds together and played them. All the soundscapes were funny but I think we did a great job.

Then we had a party and listened to songs. I sang some songs on the microphone. People were also playing different instruments set up around the room. Finn had set up a bubble machine for people to play with. My favourite part was when we got to make the soundscapes because there were lots of sounds that we got to hear. It was really fun.

invitation to the end of year P&C Sundowner to celebrate our community of school volunteers.

Thank you also to Belvedere Nursery for supporting our P&C with the veggie seedlings sold at the open day and to Chad and Sarah Hawksley for their very generous donation of manure for our fundraiser. A big thank you also to Ballard Seeds and Melchiorre Seeds for supplying us with bags. We feel very lucky to receive so much community support. If you would like to donate your empty manure bags back to the school after you have finished with them, it would be appreciated as we can use them for future manure drives.

Also, thank you to all our parents and friends who supported us by placing orders. We wish you the very best luck with your spring time gardening!

We are still in the process of counting the money raised from last weekend's events but will let you know the grand total in our next newsletter. Profits from these fundraisers will go towards the purchase of some exciting new playground equipment!

Classroom Roster Reminder

With the athletics carnival approaching, we would like to remind parents of Mrs McDougall's class to look out for a note which asks for assistance with setting up the shade tents as part of the classroom roster. We thank you in anticipation of your support.

Next P&C Meeting

Tuesday, 24 September at 7:30pm in the school staff room. We would love to see you there!
