PURPLE HAZE DAY

To support the Fremantle Docker's inaugural Grand Final appearance this Saturday, Thursday will be Purple Haze Day at school. Students are encouraged to wear purple to school on Thursday, and Dockers gear if they would like. We will send photos through to the Fremantle Football Club. Go Freo!

EAST WEST DERBY

This Friday September 27 will be the inaugural East West Derby, between of course, Narrogin Primary School and East Narrogin Primary School. This has been organised by our Moorditj Noongar Maneeth group. All interested students from Years 5 to 7 have been asked to nominate for this event, knowing that they have to meet attendance (minimum 90% attendance or improvement of 15% or more) and behaviour targets (no suspensions, and no more than one withdrawal or detention or buddy class withdrawal) over the past five weeks, with teachers making the final decision as to which 20 girls will represent us for netball and 24 boys for football. Excursion packages for this event will be going home today and will need to be back by Thursday. Games will commence at 10.30am on Friday. Spectators and supporters are encouraged to attend. Netball will be played at Narrogin Leisure Centre and the football at Clayton Road Oval. Good luck NPS students and well done to all of those students who were eligible to attend.

PASSPORTS

A reminder to parents to drop their passport books into the front office together with their earning slips so they can be updated. If you do not have one, please ask and you will be provided with one.

FACTION ATHLETICS

After starting our carnival last Monday with jumps/throws, we have officially finished events today. Unfortunately due to the weather our carnival wasn't the two days planned. Many thanks to all the parents, volunteers/supporters, staff and students who made the days possible.

Carnival results and champion medallions will be presented at Friday's assembly.

SCIENCE CIRCUS

We recently had Year 9 Science students from Narrogin Senior High School come down and present a Science Circus for our school. There were some great experiments for our students to watch.
