FROM THE PRINCIPALS DESK

Congratulations to Narrogin Primary School for winning the Spring Festival Float Parade. Thank you for the exemplary behaviour of the students that participated. Thank you and congratulations also for the extraordinary effort by Miss Carroll and her family, staff and parents, for bringing the concept to fruition.

There will be exciting opportunity for our school this Friday. Canadian Composer Todd Machover will visit our school and conduct a workshop with several selected students from year 4 – 7. Students have been invited to create music that represents their local surroundings, and Mr Machover will incorporate their ideas into a piece of music he will compose for the finale of the Perth International Arts Festival in March next year. This will be played by the West Australian Symphony Orchestra.

NO NUTS PLEASE

Some students at our school have a severe allergy to nuts and could go into anaphylactic shock. Anaphylaxis is the most severe form of allergic reaction and is potentially life threatening. In order for the school to minimise the risk for these students, it is requested that parents do not send foods containing any type of nuts (including tree nuts, peanut butter and nutella) to school with their child. The sharing of food can be a further risk and we would ask you to work with the staff at school to discourage this practice.

FARM BUS STUDENTS

If your child will not be on the bus you will need to contact the school either by phone or note advising us of this. If there are regular days students will not be on for Term 4, please let us know so we can update our records.

CHILDREN'S WEEK

Last week was Children's Week and the year 7 councillors organised some great activities to help celebrate. Many thanks to everyone who dressed up as their hero, walked or rode to school and got involved in our picnic lunch and activities. A very special thank you to Mrs Jo Drayton who came and ran fun workshops for our 4-7 students on resiliency.

Remember walking is free, it's better for the environment and it keeps our bodies fit and healthy!

Go Miss Carroll!

Miss Atherton in Room 2 would greatly appreciate any 2 litre ice-cream containers please.

CHARRNOCK WOMAN SCULPTURE

Last week our Year 6 female students were privileged to work with contemporary mosaic artist Danka Scholtz van Lorenz and students from Narrogin Senior High School on planning a sculpture that tells the Dreamtime story of the Charrnock Woman. These students will be working with Danka over a series of sessions to design, create and build this sculpture near the Kooraminning Centre. The funding for this project comes from CANWA (Country Arts Network of Western Australia).

This is a follow up project from 2012 in which our Year 6 girls were involved in the 'Sand Animation Project'. Narrogin Primary School is very fortunate to have the opportunity to work on such fantastic projects – we are looking forward to seeing the final product.
